

## Artists in the 2012 Pacific Brant Carvings and Art Show

A number of years ago, the show was expanded to include a number of the Island's more prominent wildlife artists. Here are the names of those that are taking part this year and a link to their websites.

The artists will have booths set up at the show and will have their latest works on display and offered for sale. As well, they will have many art cards and prints available at the show. Many of them are able to appear in only a few of the art shows and galleries each year so this is a good opportunity for you to talk to them.

Your Saturday admission will also include the Saturday evening "Meet and greet the Artists". As well, for those of you who do not attend the show on Saturday, your admission to the Saturday evening "Meet and Greet" function will also include your admission to the show on Sunday.
